

Rethinking REMOTE 2024

Scotland's Rural Health
Conference

6th and 7th June 2024
Eden Court Inverness

Sponsorship & Exhibitor Opportunities

This marks our fourth Rethinking Remote Conference. With each passing year, the event has expanded, solidifying its position as a leading conference in remote, rural and island health and care for Scotland.

This year, we're delighted to host the Rethinking Remote Conference at **Eden Court** in Inverness. The venue ensures our auditorium, exhibition space, posters, and workshops are all housed within a dedicated, state-of-the-art complex. We are gathering experts from academia, healthcare, social care, the third sector, emergency services, and industry. On the first evening we will host a black tie dinner and ceilidh with the **Science Ceilidh**.

Themes for this year include: Addressing the Social Determinants of Health in Rural Areas, One Health: Human, Animal, and Environmental Health in Rural Areas, and Rural Health and Care Workforce: Challenges, Needs, and Supports. Our One Health stream will be led by **SRUC (Scotland's Rural College)**.

One Health is a new stream for **RR24**, looking at transformative solutions, featuring innovative technologies and services for remote rural and island landscapes. Exploring holistic approaches to enhance the well-being of people, animals, and the environment.

The event offers a unique opportunity for partners and sponsors to network with stakeholders from not just Scotland and the UK, but globally, all sharing a passion for remote and rural health and wellbeing. Sponsoring or exhibiting is an invaluable way to elevate your company's presence and engage with this specialised audience.

Themes

Addressing the Social Determinants of Health in Rural Areas

One Health: Human, Animal, and Environmental Health in Rural Areas

Rural Health and Care Workforce Challenges, Needs, and Supports.

Prof. Russel Roberts, Equally Well Australia
Dr Pam Nicoll, RRHEAL Scot, NES
Karim Mahmood, DHI
and many more

Rethinking REMOTE 2024

Scotland's Rural Health
Conference

6th and 7th June 2024
Eden Court Inverness

Target Audience

NHS staff clinicians, nurses, midwives and allied healthcare professionals.

Industry sectors with an interest in remote, rural and island health and care

Professionals health and social care management and clinical backgrounds.

Charities and third-sector entities championing remote and rural healthcare.

Scholars, educators from national and international academic institutions.

Representatives from ambulance, fire, and rescue services.

Aspiring medical students and dedicated healthcare volunteers.

Over the course of two days, we anticipate providing you with the opportunity to engage with around 200 delegates, all passionately committed to enhancing health and wellbeing in remote, rural and island communities.

Opportunities To Support

Platinum, Gold and Silver sponsorship opportunities

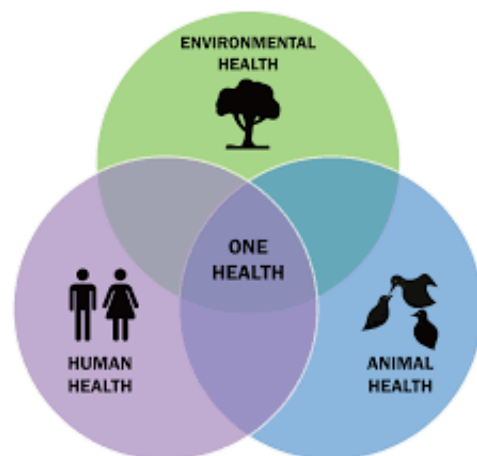

These give you a varying number of full delegate passes which include entry to all conference sessions and workshops, the welcome reception and the conference dinner (accommodation is not included). Your sponsorship will be acknowledged on all conference material, print, online via the app and you will receive preferred exhibition space within the arena.

Available for both commercial and non-profit companies, we are conscious that you need maximum exposure to the delegates so the exhibitors, posters and the demo area will all be together in the central arena. This will also be where all coffee breaks will be served allowing delegates plenty of opportunities to meet with sponsors and exhibitors.

Our aim is to provide you with a range of options to suit any budget or organisational aim, we will work with you to ensure you get the best possible return for your chosen level of support.

Poster Arena & Awards

The poster section of the conference will also be in the main arena and is always a major draw for delegates.

Full conference details will be available soon at www.rethinkingremote.co.uk
